ORDER NO. R. 6308-67—L. R. 353-33-5, DATED BANGALORE,
THE 26TH JUNE 1934.

The rules on the subject of the recruitment and training of Amildars and Deputy Amildars are contained in the several Government Orders read in the preamble. There have been many changes in the system of recruitment as regards qualifications of candidates, the field for selection, etc., and the actual rules existing at present have to be gathered from a number of scattered orders, some of which supersede the earlier ones in whole or in part. It has been considered desirable to consolidate the rules in one comprehensive Government Order and opportunity has also been taken to revise the rules in a few particulars in the light of experience gained so far.

2. Under the existing orders, officials of the Revenue Department (including those lent to the Municipalities and District Boards provided they have not been employed outside the Revenue Department for a period exceeding five years), officials of the Income-tax Department, the General and Revenue Secretariat and the Office of the Private Secretary to His Highness the Maharaja, officials belonging to backward communities of all other departments and specially deserving Brahmin officials of the Excise, Police, Registration and Co-operative Departments, are eligible for inclusion in the list of candidates eligible for Amildari and Deputy Amildari services.

3. The Revenue Commissioner has proposed that the selection for the Amildari service from the Education Department, the High Court and like establishments may be discontinued since such selection is neither appropriate nor in the circumstances of the present day, necessary for maintaining the communal equilibrium, and that the field of selection of candidates may be restricted to the Land Revenue and allied executive departments, such as Police, Excise, etc., and the Secretariat Establishments.

4. Government approve of these proposals. Ordinarily, the selection of officials for inclusion in the list of those eligible for promotion to the Amildari and Deputy Amildari services will be confined to the Revenue Department, the General and Revenue Secretariat and the Office of the Private Secretary to His Highness the Maharaja. Officials belonging to backward communities from the Excise, Income-tax, Police, Registration and Co-operative Departments may also be included.

5. It is suggested by the Revenue Commissioner that the proportion of officials to be selected from the Revenue Department may be fixed at 60 per cent as was the case formerly. This percentage which was fixed in 1916 and was subsequently raised to 87½ in the order of 21st January 1918 read above, was subsequently given up when the field of selection was enlarged with a view to give adequate representation to candidates of backward communities. Government now direct that, as far as possible, the proportion of officials of the Revenue Department included in the eligibility list should not fall below 50 per cent.

6. The Revenue Commissioner has also proposed that the senior officials of the Revenue Department in the grade of Rs. 60—4—80 may not be passed over for appointment as Amildars in favour of persons in other departments who may be much junior to the former in service although drawing a somewhat higher pay. Government approve of this in principle and would have no objection to selected

[*Vide* REPLY TO QUESTION NO. 10 (a).]—*contd.*

officials of the Revenue Department being given a higher place in the eligibility list than would ordinarily be allotted to them.

7. The proposals of the Revenue Commissioner that the age limit may be reduced to 40 years with provision for granting exemption in exceptional cases and that the passing of the Accounts Examination may be made a compulsory pre-requisite for appointment of an official as an Amildar or Deputy Amildar in the case of non-Brahmin candidates, are also approved.

8. The accompanying set of consolidated and revised rules for recruitment to the Amildari and Deputy Amildari services are accordingly issued in supersession of all the orders read above.

ANNEXURE.

RULES FOR THE RECRUITMENT AND TRAINING OF AMILDARS AND DEPUTY AMILDARS.

Appointments to the grade of Amildars and Deputy Amildars will ordinarily be made from among Probationers directly recruited for the Revenue Department and from subordinate officials of certain departments who are considered to be fit for such promotions and whose names are included in an eligibility list duly approved by Government.

2. All persons proposed for inclusion in the eligibility list should ordinarily be graduates and have passed the Revenue Higher, Criminal Higher and Accounts (Higher or Lower) Departmental tests. In the case of officials belonging to backward communities, a pass in the Accounts Examination need not be insisted upon before inclusion in the list, but such candidates should be required to pass the Accounts (Lower or Higher) Examination before they can be appointed as Amildars or Deputy Amildars. Those to be appointed as Deputy Amildars should qualify themselves by passing the Registration Examination also.

3. No one who is above the age of 40 or who has put in less than three years' approved service, should be proposed for inclusion in the list, but this rule will not affect those whose names have been once included provided they are not more than 45 years of age. The names of those who have passed the age of 45 will be removed from the list.

4. No one whose previous record of service is unsatisfactory should be proposed for inclusion in the list.

5. The minimum pay qualifying for inclusion in the list shall be Rs. 50.

6. Once a year, before the end of August, the Private Secretary to His Highness the Maharaja, the Chief Secretary to Government, the Heads of the Excise, Income-tax, Police, Registration and Co-operative Departments and the Deputy Commissioners of Districts will forward to the Revenue Commissioner in Mysore, in the annexed form a list of officials serving under them whom they consider to be fit for inclusion in the list of candidates eligible for Amildari and Deputy Amildari Service. These proposals will be scrutinised by a Committee appointed by Government and their recommendations will be submitted for the orders of Government.

7. As far as possible, the proportion of officials of the Revenue Department included in the list should not fall below 50 per cent.

[Vide REPLY TO QUESTION No. 10 (a).]—*contd.*

8. The candidates from the Brahmin and Backward Communities selected should be in the proportion of 1 : 2.

9. Government will communicate to the Revenue Commissioner and other Heads of Departments concerned the final list as approved by them arranged in the order of precedence, and in submitting proposals for appointments to the Deputy Amildari and Amildari vacancies, the order laid down in it shall ordinarily be followed. Only of not less than officials getting a pay Rs. 75 should be proposed for Amildari.

10. Officials of the Revenue Department who are senior in service should not ordinarily be passed over in favour of officials of other departments who have put in less service but draw a higher pay.

11. The appointments for long term and permanent vacancies should be made from the approved list and also from among the Revenue Probationers, if any. Ordinarily, not less than 50 per cent of the vacancies will be made available for Revenue Probationers.

12. The officials included in the eligibility list will, unless they have worked as Taluk Sheristedars for six months, be required to have a three months' training in a Taluk Office. They may be given leave to which they may be entitled to enable them to undergo this training. The Revenue Commissioner will arrange for facilities being given to them for training in the taluks selected by them and lay down the course of training so that the candidates may acquaint themselves thoroughly with the treasury and other branches of work in the Taluk Office including Municipal, Village Panchayet and Police work, Survey and Phoding, and Hobli work including the writing up of village accounts. At the end of the period, the Sub-Division Officer concerned will examine the candidate and submit a report as to the progress made. While recommending any candidate for appointment as Amildar or Deputy Amildar, the Revenue Commissioner will state whether the candidate concerned has undergone the prescribed training.

13. No official, whose mother-tongue is not Kannada, will be confirmed as Amildar or Deputy Amildar unless he has passed the prescribed examination in Kannada. No one will ordinarily be confirmed as Amildar or Deputy Amildar unless he produces the prescribed certificate in equitation.

- 1 Raiyats of Turuvekere Amrit Mahal Kaval praying for the repairs of *madaboys* and pipes of Turuvekere Amanikere.
- 2 Raiyats of Mayasandra praying for the restoration of Mayasandra Tank and breached Daroga *ane*.

Estimates have been prepared by the D.P.W. and the matter is under consideration.

Nil

In respect of Mayasandra Tank, a reference has been made to the D.P.W. As regards the second subject, *viz.*, restoration of breached Daroga *ane*, it has to be said that the *ane* existed prior to raising the weir of Mayasandra Tank. It is considered unnecessary now as the supply to the lands formerly irrigated by the *ane* has been improved by the raising of the weir of the tank. There are complaints that by the restoring of the *ane*, lands of other raiyats will run short of water. The matter will be further looked into.

1935-36.

- 1 Raiyats of Byatarahosahally praying for the restoration of Kanivekere.
- 2 Raiyats of Kanakur praying for the restoration of the breached tank at Kanakur.

The matter is under enquiry ...

Do.

The raiyats have agreed to pay contribution and *mutchalikas* have been taken. It is ascertained that surveys have been completed and estimate has been prepared.
